ABOUT LOSSIEMOUTH

At the northernmost tip of Moray, flanked by beautiful beaches, dense forest and fertile farmland, stands Lossiemouth.

Take in the breath-taking view of the golden sands of East Beach stretching away to Lossie Forest and Spey Bay beyond. At the far end of West Beach, visit the iconic lighthouse, built to protect the town's fishing fleet from treacherous reefs.

Thrill to the sights and sounds of a more recent industry, RAF Lossiemouth is home to fast jets and larger aircraft. The Esplanade is thronged with independent shops and cafes and the busy marina area welcomes seafarers and shoppers.

From leisurely walks to exhilarating watersports, fish suppers to fine dining, Lossiemouth has something for everyone.

Come, see for yourself and have a fine day out!
